

Krislund Camp & Conference Center

ACTIVITY PARTICIPATION AGREEMENT AND MEDICAL INFORMATION FORM

Organization: _____ Program Dates: _____

Activity Participation Agreement:

Krislund Camp and Conference Center, together with its agents, employees, volunteers, and any other representatives (collectively referred to hereinafter as "Krislund Camp") provides comfortable and rustic facilities in a wilderness environment. Weather, animals, and other challenges associated with the outdoors are part of our programming. Participation in any of Krislund Camp's adventure activities (such as team building initiatives, climbing wall, zip line, or high ropes, hereinafter referred to as Activities) involves additional challenges and responsibilities. The level of participating in an Activity is at all times completely up to the Participant's choice. There are differing levels of risks in these Activities, which must be assumed by each Participant. A Participant may suffer an emotional or physical injury or disability, or death.

In consideration for the opportunity to participate in one or more of these Activities, the Participant (or parent/guardian if Participant is a minor) acknowledges, accepts, and voluntarily assumes all the risks of injury associated with and attendant to participation in and transportation to and from the Activities. The Participant (or parent/guardian) accepts personal financial responsibility for any injury or other loss sustained during the Activities or during transportation to and from the Activities, as well as for any medical treatment rendered to the Participant that is authorized by Krislund Camp. Except in the case of negligence of Krislund Camp, the Participant (or parent/guardian) releases and promises to indemnify, defend, and hold harmless Krislund Camp, for any injury arising directly or indirectly out of the Activities or transportation to and from the Activities.

Krislund Camp's policy for participation in all Activities requires that the Participant's health and accident insurance provide the Participant's primary coverage. Krislund Camp reserves the right to refuse services to those persons not covered by health and accident insurance and/or to those who present an unreasonable risk to themselves or others when engaging in Activities.

Krislund Camp advises that appropriate health and medical information be made known to the sponsoring group's leader(s). For those participating in adventure Activities, appropriate health and medical information MUST be communicated to the adventure facilitator(s) conducting the Activity prior to the start of Activities or at time of arrival. This information is used exclusively to help with preparations, to respond appropriately if the need arises, and is not made available for other purposes.

Please complete fully the form below and on the back of this page. Return the completed form as directed by your group leader(s). Thank you.
